ENROLLMENT FORM REDESIGN (WIREFRAMES)

This wireframe shows the initial step of an enrollment form. At the top right is a red question mark icon. Below it is a header bar with tabs: Welcome to SelfDesign, Parent Info, Learner Info, Documents, and Review. To the left of the tabs is a placeholder for a logo or image. A phone number 1-888-888-1212 is displayed next to the review tab. The main content area starts with a "Welcome to SelfDesign" heading. Below it is a text input field labeled "Welcome Text goes here...". A section follows with the instruction "Some brief instructional text goes here.... You will also need the following documents or information." It contains six checkboxes grouped into three columns: Item 1, Item 2, Item 3, Item 4, Item 5, and Item 6. A "Step 1" label is followed by a sub-section titled "Select the number of learners you would like to register:" with a dropdown menu showing "Please Select". A green "Continue" button is at the bottom. At the very bottom of the page are links for Copyright, Legal, Email@address.com, and 1-800-111-2222.

This wireframe shows the second step of the enrollment form, where learners are being registered. The layout is similar to the first step, with a red question mark icon at the top right. The header bar includes the same tabs: Welcome to SelfDesign, Parent Info, Learner Info, Documents, and Review. The "Welcome to SelfDesign" heading is present. The "Some brief instructional text goes here.... You will also need the following documents or information." section contains the same set of six checkboxes as the first step. A "Step 1" label leads to a section titled "Select the number of learners you would like to register:" with a dropdown menu showing "2 Learners". Below this, there are two rows for "Learner 1" and "Learner 2", each with fields for First Name, Last Name, and Program. The "Learner 1" row has "John" in the first name field, "Doe" in the last name field, and "Self Design High" in the program dropdown. The "Learner 2" row has "Jane" in the first name field, "Doe" in the last name field, and "Special Education K-9" in the program dropdown. A teal callout box with an info icon contains a note: "Please note if the learner being registered has special needs you must contact the SelfDesign office at 1-888-888-1212 to obtain a registration ID code. One of our Special Education intake staff will be happy to assist you before completing the enrolment process. If you already have a registration ID, please enter it below." Below this note is a text input field asking "Please enter your registration ID for learner 2:" containing the value "1235677890", which is marked with a green checkmark. A green "Continue" button is at the bottom. The footer links are identical to the first step: Copyright, Legal, Email@address.com, and 1-800-111-2222.
